

Highway Stewardship

Stagecoach Hills Neighborhood Association's Vice President and Coldwell Banker Mountain Properties' Associate Broker Gary Hillman has initiated a Highway 64 West Stewardship program. Call or text Gary to sign up for a month of stewardship (575) 999-5988! Below please find maps to indicate the areas of clean up. Gary will supply: a hopper, grabbers, bags and gloves. The red dot on the second map indicates the location of the dumpster inside of the DOT facility (1 mile east of the Landfill.) You can use this dumpster to dispose of bags Monday through Thursday 8 AM to 5 PM. If you discover items too large to bag or if you see abandoned vehicles, please text the location to Gary.
